

**Note:** Please apply the display header to an existing HoMedics display chair in your store. If needed, your buyer may have also ordered new chairs (Model # DS-CHAIR).

### Step 1

Take the header card out from the box and protection polybag.

Tab (A)

### Step 2

Insert the tab (A) into the pocket located on the back of the chair as shown.

### Step 3

Once the header is on the display chair, take model # MCS-350H from stock and place the HoMedics massage cushion on the chair.

Use Model # MCS-350H, Shiatsu+ Massage Cushion with **Heat**, for this header.

### Final Display

The finished display will look like this.

**NOTE:** It is imperative this display remains powered at all times. Your buyer has ordered this display specifically to help drive sales.
